

As a **CASA Coach** I am entrusted by the program to serve and support the assigned Advocates. I understand that my role is that of a servant leader and therefore,

- I PLEDGE** to actively listen and support assigned Advocates to the best of my ability;
- I PLEDGE** to use good coaching techniques whenever possible and limit direct supervision to a minimum;
- I PLEDGE** to support Advocates in court hearing and meetings for the child as needed and assure the Advocates that he/she can stand on their own;
- I PLEDGE** to maintain monthly contact with assigned Advocates and request to receive their Monthly Update Forms by the 5th of the month;
- I PLEDGE** to maintain a minimum of two contacts with my Program Coordinator, per month and will ensure the Coordinator receives the Monthly Update Forms (including any new information I have added) by the 8th of the month;
- I PLEDGE** to recommend two Advocates to be CASA Coaches every twelve months as long as I continue in with the program and refer anyone I believe would be a good Advocate to my Local Coordinator.
- I PLEDGE** to complete 12 hours of training, including training on confidentiality and information security, annually to develop my professional leadership knowledge to better serve the Advocates;
- I PLEDGE** to serve the Advocates in the program to the best of ability knowing that retention is the key to serving every child and youth in need.
